Policy Statement

The purpose of this policy is to provide an overall framework for the development of the Library's collections and is the basis for collection planning and budgeting.

Scope

The St. Catharines Public Library's Collection supports the Library's mission to provide spaces, resources, and experiences for all citizens to learn, grow, and connect. The Collection also supports the goal for the Library to *Be A Library For All* by striving to provide services to our diverse population.

1. The library provides accessible collections of physical and digital materials that are responsive to the needs and interests of our diverse community including a variety of alternative formats and multilingual materials.
2. The Collection shall be balanced and represent diverse points of view and may include materials that some members of the public consider to be controversial in nature.
3. The presence of an item in the Collection does not indicate an endorsement of its contents by the Library, but rather is an affirmation of the principle of intellectual freedom as embodied in the [Canadian Federation of Library Associations' Position Statement on Intellectual Freedom and Libraries](#) as well as its [Position Statement on Diversity and Inclusion](#).

4. It may happen that materials in the Collection meet the needs of students, but this is not the primary reason for their selection. It is the responsibility of schools to provide materials which support their curricula.
5. The library develops physical and digital collections which include, but are not limited to, the following areas: fiction and non-fiction for adults, young adults (YA) and children, books, movies, music, magazines, newspapers, video games, local history and the Library of Things (a collection of non-traditional materials).
6. The staff is responsible for developing profiles for each area of the Collection to further define the scope of the collections. These profiles are tools for collection development and evaluation.
7. The library participates, where appropriate, in consortia and in pools to broaden the scope and size of the Collection.
8. To provide users with print disabilities with a broader selection the library works with the Centre for Equitable Library Access (CELA).
9. Recognized, professional standards will be used to determine the appropriate size of the Collection. Planning for budgets and facilities must reflect these standards.

Definitions

For the purpose of this Policy, the following definitions shall apply:

4. Acquisition – the actual purchase, lease, or subscription of materials which have been selected for inclusion in the various collections.
5. Access – the means used to make materials available in an organized manner to the public.
6. Maintenance – the inventory, disposal, replacement, repair, and preservation of materials in the collections.

Regulations

1. The Library Board supports the individual's right to intellectual freedom as embodied in the [Canadian Charter of Rights and Freedoms](#).
2. The [Canadian Federation of Library Associations' Statement on Intellectual Freedom and Libraries](#), [Statement on Diversity and Inclusion](#), and the [Ontario Library Association's Statement on the Intellectual Rights of the Individual](#) are endorsed by the Library Board.
3. The Library complies with any applicable law enacted at the federal, provincial or municipal level, and therefore does not collect or maintain items which have been judged obscene or pornographic, or have been banned by the courts. The relevant sections of the [Criminal Code of Canada](#) are sedition, hate propaganda and obscenity.

Responsibility

1. The Library Board delegates the overall responsibility for the Collection to the Chief Executive Officer (C.E.O.) and through the C.E.O. to managers and staff.
2. Selection responsibility for specific portions of the Collection may be delegated to staff.

Operational Guidelines

The Collection will be developed, assessed, and maintained in accordance with the selection criteria and guidelines outlined below.

A. Selection

1. The staff will proactively solicit advice from, as well as anticipate the needs and interests of, the diverse community.
2. In selecting materials, staff will use library data, public library trends, professional resources, judgment, knowledge and experience.
3. What is ordered, and what remains in the collections, is based on the following criteria:
 - public and/or anticipated demand and current trends
 - importance of subject matter in relation to community needs
 - relation to existing collections and other materials on a subject
 - quality, clarity, comprehensiveness and accuracy of materials

- Canadian content and perspective
- suitability of physical and/or digital form for library use
- publication, creation or release date
- timeliness or permanence of the work
- availability of funds and space
- availability of materials in other libraries, for free via the internet, or from other easily and freely accessible resources
- educational or recreational technologies that may be inaccessible or cost prohibitive
- promotion of a communal sharing economy
- accessibility criteria and features

An item need not meet all of the above criteria in order to be acceptable. Items that do not meet these criteria may be purchased to meet community needs.

B. Acquisitions

The criteria and parameters used for the acquisition of materials selected for inclusion in collections will include price, format and availability. In selecting a vendor, consideration will be given to discounts and performance.

C. Access

Professional standards (e.g., Dewey Decimal Classification) will be used to ensure the integrity of data within the catalogue.

D. Maintenance

1. An up-to-date, aesthetically pleasing and useful Collection is maintained through a continual maintenance process.
2. The Library continually identifies items from its collections for discard based upon the following criteria:
 - a Item's subject is outdated
 - b Item is no longer of interest or in demand
 - c Overabundance of an item or subject as interest wanes
 - d Worn or damaged copies
3. Replacement of Library materials shall depend on demand for the title, availability of the title, availability of more current material on the subject, and the extent to which the subject is already covered in the Collection.

4. Withdrawn materials may be donated, recycled, discarded or sold.

E. Suggestions, Donations and Gifts

- **Suggestions:** The Library encourages customer participation in the shaping of the Collection. Customers may place formal requests for the purchase of collection materials by completing a "[Suggest a Purchase](#)" form provided by the Library. Suggestions are referred to staff responsible for the Collection and considered according to the Library's selection criteria.
- **Donations:** In general, donations of items to the St. Catharines Public Library are not accepted due to costs associated with evaluating and processing such items.
Exceptions may be made for items of local historical significance (e.g., local history books, photographs, and postcards). All donations are subject to terms and conditions outlined in [Gifts in Kind \(F03\) Policy](#). Donations shall become the property of the Library and may be disposed of in the future at the discretion of the Library, subject to this Policy.
- **Gifts:** The Library welcomes gift copies of work from local authors, recording artists and filmmakers, provided they are submitted in a format currently supported. Items that are not added to the Collection are not returned, but rather donated, recycled, discarded or sold. The Library cannot accept imposed conditions relating to any item (e.g., consignment, return).

F. Request for Review

The Library is a resource where many points of view and modes of expression can be examined without hindrance. While people have the right to reject for themselves items of which they do not approve, they do not have the right to restrict the freedom of others.

The following will not cause an item to be automatically included or excluded from the Collection:

- race, religion, sexual orientation, gender identity, nationality or political views of an author or creator
- frankness or coarseness of language
- controversial content
- endorsement or disapproval of an individual or group
- language in which the work is written or spoken

Items which have been judged obscene or pornographic, banned by the courts or breach legislation such as the Ontario Human Rights Code or the Criminal Code of Canada will be excluded from the Collection.

Customers may request a review for items currently in the Collection by completing a "[Request for Reconsideration](#)" Form. All Requests for Reconsideration will be reviewed by the staff responsible for the Collection in accordance with the Collection Management Policy. Their decision will be communicated to the requestor. Customers who are not satisfied with the response can submit an appeal to the C.E.O and subsequently the Library Board. The final decision on any challenge to the Collection rests with the Library Board.

Implementation

This Policy shall be implemented by the C.E.O. The responsibility for collection management is vested in the office of the C.E.O., which delegates activity to staff.
